

The captive  
human princess  
in the Demon  
King Castle was  
in distress.

A world where  
humans and  
demons fight.

Ahh...

Desires  
like finding  
a way to  
escape,

and the  
people who  
have been  
left behind  
are already...  
a thing of  
the past...

A distress  
rooted in  
human  
nature...

to get a  
quiet night's  
sleep.

I want to know  
a better way...

The 20th Night:  
A Flower's Life is Short

熊之股鍵次

サンデーラッパ  
SUNDAY MORNING

So... you came to ask me for a way to get a quiet night's sleep?

.....

Mango-Naria?

YEP

It's Fine.

It's Fine.

It's Fine.

Um... You know I was once a legendary grimoire, right?

Why aren't you using me to escape the Demon King Castle-

Unless you scare it to death,

it won't emit any scent.

...But, that flower...

Blooming once every 50 years, it's a flower with a scent that induces a blissful sleep, and has its own peculiar behavior...

It's just starting to bloom this year.

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years  
If you love my releases, please consider donating at [KineCade.com](http://KineCade.com) to support our livelihood  
All proceeds go towards offsetting her medical fees. Thank you very much for reading!

Well, this... is because they attacked me in a group.

Well, that's got nothing to do with me, but...

So he's fetching the laundry... Why is the Area Boss going out of his way to do so?

Sark, what's that?

Good riddance... I've come to retrieve this week's stock.

But, don't you think it's a bit too much this time?

### Stack to be Revived This Week

is without  
a doubt  
wonderful...

The dream I  
see within  
this scent...

13

Must be the  
Princess.

Definitely the  
Princess.

The  
Princess, right?

...By  
the way,  
I wonder  
what  
scared  
it...

It's the  
Princess
